About This Game

From the author of **Spice and Wolf**, Isuna Hasekura, comes WORLD END ECONOMiCA. The opening video features music by Kishida Kyoudan & The Akeboshi Rockets, known for the opening songs for High School of the Dead and Strike the Blood.

A three part visual novel set in the far future on the moon, 16 years after humans have begun to colonize it. A young boy named Haru has been chasing his wildest dream. His dream is to stand where no man has stood before, and in order to do so he needs capital, a ludicrous amount of capital. What better place to get that amount of capital by using the stock market? There are two key rules that govern the stock market.

- The first rule: Never take a loss.
- The second rule: Never forget the first.

Only those who follow these rules are able to obtain enormous wealth...
